***This is a special call for Metropolitan State  
undergraduate/graduate students!***

*If you have a completed research project and/or plan to participate at an upcoming Spring conference (such as MUPC, MPA, or SPSP), consider presenting your project at the Colloquium. You can share the results of your project as an oral presentation (power point – suggested for graduate students) or as a poster.*

*Oral Presentations should be limited to 12 minutes, with an additional 2-3 minutes for Questions & Answers.*

*Posters are displays of project goals and results available for viewing during a specific time during the Colloquium.*

*Students should be prepared to engage in discussion with viewers.*

*All requests for presentations or inquiries should be emailed along with an abstract*

*To [ol9110qv@metrostate.edu](mailto:ol9110qv@metrostate.edu) or [mark.stasson@metrostate.edu](mailto:mark.stasson@metrostate.edu)*

Pre-registration is not required for attendance everyone is welcome
